The company **Aquasanita** is one of the most well-known manufacturers of kitchen equipment on the market. They export over 80% of their products to more than 30 countries worldwide. Aquasanita sinks and faucets meet the most demanding requirements for processing and quality of construction.

The very modern and practical countertop battery without a shower **Aquasanita Forte 5553** is perfect for every modern kitchen.

Black granite faucet, but also sandstone, white or gray will look great with a granite sink in a similar shade. The lever faucet Forte 5553 in gold and copper color looks very luxurious whether combined with a granite, ceramic or stainless steel sink in gold or copper shade.

It is a **higher model** of a countertop battery, dishwashing will be more comfortable and it will also be easier to fill water into pots and kettles.

The granite sink faucet is equipped with a high-quality 40mm ceramic cartridge from the Kerox brand and a water-saving Neoperl aerator. The surface of the faucet is cleaned similarly to the sink made of the same material, if necessary, simply wipe it with a damp cloth and regular soap.
