The company **Aquasanita** is one of the most well-known producers of granite sinks on the market. More than 80% of its products are exported to over 30 countries around the world. Aquasanita sinks meet the most demanding requirements for processing and quality of workmanship. Currently, Aquasanita is giving its sinks a new name **HELIKA**. With the idea of **living life at a slower pace** in harmony with nature. Therefore Helika, translated as snail. Helika products are designed to support a slower lifestyle and create a warm, caring atmosphere in kitchens.

Design-wise clean granite sink **Aquasanita Helika Tesa 490** suitable for both modern and rustic kitchens. Due to the fact that this single-basin sink doesn't have a draining board, it saves space on the kitchen counter.

The Tesa 490 sink, although smaller in appearance, provides enough space for comfortable dishwashing. The back surface of the sink allows for the installation of a kitchen faucet or a built-in soap dispenser. The sink is designed for a cabinet size of 50 cm. The washing tub itself is spacious enough for comfortable washing even of larger dishes.

The advantage of a granite sink is its **color variability** and the possibility to match it with the rest of the kitchen, easy maintenance, and attractive design. The main advantages include excellent resistance to impact, scratches, and high temperatures

The sinks by Aquasanita are made of a very high-quality granite material **SILISCANA**, it is a third generation granite known for its strength and durability
