This tool is a very useful accessory that will increase safety and comfort when using a garbage disposal. When using Mr. Scrappy, there is no longer a need for your hands to come into contact with often unpleasant food residues. If you don't want to come into contact with shredded waste or water when disposing of leftovers, then Mr. Scrappy is a good choice.

Cloth: Effortlessly gathers leftover food from plates, pans, and other dishes.

Disposer: Safely pushes food scraps through the cuff into the grinder chamber.

Plug: Allows for blocking the sink during filling (a separate plug is included with each garbage disposal). For installation inside the 3-Bolt mount - seals in the throat.

Usage: For all models of the EcoMaster EVO series crushers (InSinkErator)

Warning: Mr. Scrappy is primarily designed for 3-Bolt Mount disposers.

The multifunctional plug EVO is not intended for EcoMaster, EcoMaster Plus, WasteKing, Bone Crusher, Commander, Waste Master, Wastemaid, Sinkmaster, Whirlaway, General, and other models.
