

EcoMaster zátka plastová EM / AMC

Vsazení uvnitř hrdla do manžety

EAN: 8596220000170

109 Kč

90 Kč bez DPH

Classic plug for blocking the sink drain with a garbage disposal.

PRINCIPLE

The plug is inserted deeper into the drain hole, all the way into the rubber sleeve, where it then seals. Therefore, it requires an inserted sleeve for its function.

COMPATIBILITY

The stopper is designed for E-Z Mount throats with an inner Ø of 78.5mm, especially for older models of the EcoMaster series or all original models by AMC (Anaheim Manufacturing Company), such as: Waste King, Bone Crusher, Commander, Sinkmaster, Waste Maid, Waste Master, Whirlaway, General, etc.

It works with all types of older and special cuffs Ø 80mm from our range intended for EM/AMC models.

WARNING

It is not intended for EcoMaster PLUS newer series of E-Z mount necks with a diameter of 76.5 and 3 Bolt Mount necks with a diameter of 85mm in EcoMaster EVO3 models or other InSinkErator, Wave, etc. The functionality is not guaranteed for copies or similar garbage disposals of the aforementioned compatible models.
