The elegant Eisl Carneo kitchen faucet will elevate your kitchen. The sink faucet will become a luxurious element.

The high sink faucet **Eisl Carneo** will also look great as an island faucet. The faucet features a flexible head for easier handling in the kitchen. At the end of the head, you will also find a jet or shower switch.

Thanks to the combination of a swivel spout and a flexible head, the faucet is an ideal choice for double sinks. The kitchen faucet features a cold start function, meaning that in the central position of the lever, only cold water flows.

The **Eisl** battery is made of very high-quality material (ceramic sealing). The package includes an installation set and an attached manual, which will facilitate the entire installation. The battery package has two connection hoses (connections for cold and hot water). The battery is also suitable for flow heaters.

We offer this battery in a color design:

- black / shiny chrome

Key features of the Eisl Carneo kitchen faucet

- variable head in black color
- practical kitchen faucet with a swivel spout, ideal for double sinks
- sustainability thanks to the cold start function in the central position of the lever
- high-quality workmanship, ceramic cartridge
- Easy installation
- German quality
