The elegant free-standing **kitchen faucet Eisl London** will elevate the look of your kitchen to a luxurious level.

The Eisl London battery will not only look great in a classic kitchen design, but it will also stand out as an island battery. **Single lever faucet** with an energy-saving cold start function - meaning, when the lever is in the middle position, only cold water flows. Kitchen faucet with a 360° swivel spout - also ideal for double sinks. Extendable shower hose (150 cm) for convenient handling.

The battery comes with a very high-quality **ceramic cartridge** with an adjustable temperature limit. It minimizes the risk of scalding, offering a safer home for the whole family.

Easy assembly thanks to the quick assembly set (central screwing) and a multilingual illustrated assembly guide.

**This battery is available in different colors:**

- opaque black
- matte gold
- stainless
- Shiny chrome
