The brand **Granisil** represents a mark of high quality and luxurious design. Granisil sinks contain over 80% granite and quartz. Thanks to the presence of natural stone, it is a very durable material. Granisil is completely safe for contact with food.

Stylish single-bowl granite sink with a drainer **Granisil Vivaldi 860.0** is one of the best-selling sinks in its class. What sets it apart is its pleasant, simple design. Available in several trendy shades.

Suitable parameters, ideal large sink with sufficient storage space. Smooth surface of the sink, for easy maintenance simply wipe the surface dry and the dirt is gone.

Reasonable price goes hand in hand with durability and resistance to physical (impacts, scratches, high temperatures) and chemical (dyes) stimuli, characteristic of the material, which is a mixture of dense granite and natural resins. Moreover, granite is very easy to maintain in cleanliness and does not require special care to preserve its unique aesthetic qualities.

The sink **Vivaldi 860.0** is made of 80% crushed stone and 20% acrylic mixture and pigment.
