The kitchen faucet **Amur AM719.0/10B** perfectly captures originality and practicality. The faucet is made by the Czech company Slezák - Rav CZ, s.r.o., which emphasizes honesty and tradition. They have been operating in the market since 2001. Extraordinary warranty applies to products of the brand Slezák Rav CZ, s.r.o.

The Amur arch kitchen faucet features a so-called **flexible nozzle**. This makes it easy to fill, for example, a pot with water or rinse the sink from leftover dirt. Thanks to the combination of a swivel spout and a flexible head, the faucet is an ideal choice for double sinks or sinks with a basin.

The Amur sink mixer is equipped with a branded **ceramic cartridge** with a diameter of 35 mm (KA3502). The flexible arm of the mixer is in white color. The package includes an installation kit and an accompanying manual, which will facilitate the entire installation process. The mixer package contains two connecting hoses (connections for cold and hot water).

Key features of the RAV Slezák kitchen faucet Amur AM719.0/10B
