One of the most well-known manufacturers and suppliers of bathroom accessories is **EISL Sanitary GmbH**, whose existence dates back to 1980. The company's motto is: a reliable partner for everything related to kitchens and bathrooms. Products made of high-quality materials that meet drinking water requirements.

Luxury shower set **Schütte Aquasatar** in a trendy chromatic design with white color. Experience extraordinary moments while showering.

High-quality stainless steel shower column with a height of approximately 112 cm. Large-format shower plate **with a rain shower** with a diameter of approximately 24 cm.

Design **hand shower with five flow options** for a pure showering experience. Nozzle options include rain shower, massage, misty flow, and combined nozzle functions. Provides a wellness shower experience - relaxation and complete rest.

Shower heads are equipped with protrusions that prevent the accumulation of limescale. Simply wipe it off.

Stylishly integrated button switch in the shelf for easy switching between overhead and handheld shower. A very pleasant addition is the white shelf that you can use for storing shower gel, shampoo, etc.

The ideal choice for renovation or replacement of a shower column is the Aquastar shower column, which has a height-adjustable wall mount. For installation, simply use the existing holes in the wall.
