One of the most well-known manufacturers and suppliers of bathroom accessories is **EISL Sanitary GmbH**, whose existence dates back to 1980. The company's motto is: a reliable partner for everything related to kitchens and bathrooms. Products made of high-quality materials that meet drinking water requirements.

The refined **Schütte Aquastar shower set** represents luxurious design that will attract and captivate. The idea that the bathroom is only a place for everyday hygiene is now a thing of the past. The new values when choosing bathroom accessories are primarily diversity, product quality, customer individuality, and product practicality.

Elegant shower system Aquastar with **large-format overhead shower** in a square design (20 x 20 cm). In a trendy color combination chrome/white. The overhead shower for a pleasant relaxation and rest. Come and enjoy the experience of showering under the raindrops.

A high-quality **hand shower with three jet options** (gentle droplets like a spray, massage jets, and a combined stream) represents pure pleasure in showering. An additional pleasant feature is a white shelf where you can keep shower gel, shampoo, etc.

Both the overhead and hand shower are equipped with protrusions that prevent the build-up of limescale. Just a simple wipe is enough.

Stylishly **integrated button switch** in the shelf - for easy switching between handheld and overhead shower.

**Key features of the SCHÜTTE AQUASTAR shower set**

- chrome surface treatment in combination with white color
- The Schütte Aquastar shower set has a two-year warranty.
- there are anti-limescale tips on both manual and overhead showers
