Under the auspices of the SEE holding, **Franz Joseph Schütte GmbH** produces high-quality batteries, showers, and sanitary supplies together with its sister companies Kirchhof, Eisl, Eyckhaus, and Wasserwerk. Quality products at a reasonable price.

The **Bamboo toilet set** is perfect for lovers of simplicity and minimalism. It is a practical set that serves not only as a toilet paper holder but also as a storage for a toilet brush. The black toilet brush can be easily detached and replaced with a new one, so it is not necessary to buy a whole new set.

In the bamboo decor, you can easily purchase all bathroom accessories and furniture. Bamboo items will become a great addition to Scandinavian style living.

## **Bamboo furniture has 5 key advantages:**

- Bamboo is a fast-growing plant, easily sustainable and renewable. With its characteristics, it is destined for moist spaces.
- Bamboo is easily maintained - for cleaning, you can use a damp cloth or occasionally just wipe the furniture with a bit of olive oil. This will prevent drying out and give the furniture a natural shine.

- Every piece of furniture is original - bamboo represents uniqueness.
- Bamboo brings nature into your bathroom - bamboo provides your bathroom with a natural look. With ease, you can create an exotic wellness oasis in your bathroom for your personal relaxation and rest.
- Bamboo as a versatile yet underestimated material - people in Asia have been using bamboo for thousands of years. Its rapid growth and special properties make bamboo a lightweight and versatile building material.
