Under the auspices of the SEE holding, **Franz Joseph Schütte GmbH** produces high-quality batteries, showers, and sanitary supplies together with its sister companies Kirchhof, Eisl, Eyckhaus, and Wasserwerk. Quality products at a reasonable price.

Wellness elegant **hand shower Samoa Rain** with a very slim shower head (Ø approx. 13 cm) and a floral arrangement of nozzles is an absolute top-notch among showers.

The innovative technology of a velvet beam, **300 nozzles** in the shower create a microscopic pattern of a fine stream and form a very fine water mist that wraps around the body like velvet.

The Samoa Rain hand shower with **three jet options** for pure showering pleasure - rain shower, sauna, combined jet function. With the button on the shower head, you can easily switch between different types of jets (from warm summer rain to tropical mist).

The components of the handheld shower include a seal for up to 50% lower water consumption. The shower head has protrusions against limescale for easy removal of limescale residue. A universal handheld shower with standard shower hose connection 1/2" (Ø approx. 1.9 cm).
