Key features of the SCHÜTTE BAMBUS toilet seat

- Toilet seat for all standard-sized WC bowls.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- It includes complete assembly materials for quick and easy installation of the toilet seat.
- Sustainability: Bamboo as a renewable resource helps to save the environment.

Bamboo

The toilet seat is made of high-quality material, which is bamboo. The wooden lid is extremely durable and robust.

SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

The hinges of this bamboo toilet seat are made of pressure-cast zinc - therefore, we do not recommend using aggressive cleaning agents or agents containing sand.

Simple assembly

With the help of the included mounting kit and clear instructions, you will be able to assemble it within a few minutes.
