## Key features of the SCHÜTTE SLIM BLACK toilet seat

- Toilet seat for all standard-sized WC bowls.
- Duroplast toilet seat in black SLIM BLACK, with soft-close mechanism and quick release.
- The toilet seat is characterized by an extra flat shape and modern design.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Removable toilet seat with a practical quick-release technology for fast and hygienic cleaning of the ceramic.
- Thanks to the Duroplast material, which is extremely resistant to breakage and scratching, the toilet seat is particularly durable.
- Thanks to the smooth surface with pores, the toilet seat is particularly easy to maintain and clean.
- Additional fastening technology with adhesive pads prevents the toilet seat from slipping.
- EASY INSTALLATION: Top mounting with tilting toggle anchor

## Duroplast

The toilet seat is made of Duroplast composite material. Exceptional strength and durability are ensured thanks to the combination of thermosetting plastic and fibers.

## SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

## **Easy installation**

The assembly is very simple, with the help of the attached instructions, anyone can do it in 5 minutes.
